

Skills for Justice Membership

The best asset for continual learning and best practice in workforce development

Skills for Justice Membership allows you to connect with the right people and help you solve workforce development problems.

You will have access to the expertise and information you need to help deliver best-in-class solutions. As a member, you will also participate in exclusive knowledge exchange events, part of the Sharing Best Practice series. In addition, you are entitled to member-only discounts through our service support framework.

Three reasons to join

- 1** Work with our experienced team to develop and sustain your skilled workforce
- 2** Get full access to a wealth of knowledge and up-to-date insights to stay ahead of the curve
- 3** Receive an exclusive discount on our products and services tailored to your needs

Choose from two levels of Membership to suit your requirements

Organisational Membership

This option includes the following:

- Two tickets to each of our four knowledge exchange events each year
- Two days consultation from a sector workforce specialist each year
- Your choice of one of the following expert support services:
 - Ambit stage one organisational assessment report
 - Quality Mark Affiliate assessment and advice
- Dedicated account manager to help you make the most of your Membership
- Access to our service support framework with exclusive member discounts

Strategic Partner Membership

This option includes the following:

- Three tickets to each of our four knowledge exchange events each year
- Eight days consultation from a sector workforce specialist each year, two days each quarter
- Your choice of one of the following expert support services:
 - Ambit stage one organisational assessment report
 - Quality Mark Affiliate assessment and report
 - Two additional days consultation from a sector workforce specialist
- Dedicated account manager to help you make the most of your Membership
- Access to our service support framework with exclusive member discounts

Skills for Justice is extremely knowledgeable and well-informed on national developments and current direction. They are very responsive when we need guidance or support.

Skills for Justice has been instrumental in supporting our contemporary approach to staff training. We are currently being supported to develop a strategy for our new Firefighting and Breathing Apparatus training facility, which the UK Fire and Rescue Service have expressed an interest in. We feel valued as a member with regular and worthwhile communication and visits.

*David Shortt: Watch Commander (Portadown District)
Northern Ireland Fire and Rescue Service*

What is the Membership service support framework?

Our unique service support framework provides our exclusive members with:

Up to 20% off consultancy and research services on any aspect of workforce development

A 20% discount for additional bookings to knowledge exchange events

Discounts on qualifying End Point Assessments for apprenticeship standards
